Product Summary Table

Description	Part #	Maximum Point-to-Point Distance via Cat 5 (ft/ m)										Input Connectors										Output Conn.			Twisted Pairs					
		Composite Video NTSC, PAL, SECAM	S-Video	VGA @ 800x600	RGB	Component (Y PbPr)	Analog Line Audio	Digital Audio	CATV	PTZ	PS/2	Power	BNC	4-pin Mini DIN	HD15D	RCA	"F"	RJ45	Screw Term	SCART	PS/2	XLR-3	BNC	RJ45	Screw Term	Video	Audio	Power	PS/2	PTZ	STP Required
CCTV Modular Balun	**500000/00R**	2200/ 670 [1]										X											X		1					
Stereo Audio-Video Balun	**500001**	2200/ 670 [1]					5000/ 1500					X [4]			X								X		1	2				
RGB Balun	**500002**	2200/ 670 [1]			500/ 152	1000/ 305						X [4]											X		3					
PTZ Balun	**500007**	1400/ 425										X [4]											X		1				1	
CCTV Screw Terminal Balun	**500009**	2200/ 670 [1]										X												X	1					
VGA Balun – PC Side	**500010**			350/ 105 [2]										M									X		4					X
VGA Balun – Monitor Side (F)	**500011**			350/ 105 [2]										F									X		4					X
Dual Audio-Video Balun	**500012**	2200/ 670 [1]	1000/ 305				5000/ 1500								X								X		2	2				
VGA Balun – Monitor Side (M)	**500014**			350/ 105 [2]										M									X		4					X
Active CCTV Receiver Balun	**500015**	5000/ 1500																	X			X			1					
S-Video Balun	**500016**		1000/ 305										X										X		2					
S-Video/ Audio Balun	**500017**		1000/ 305				5000/ 1500						X		X [4]								X		2	2				
Analog Audio Balun	**500019**						5000/ 1500								X									X		1				
Digital Audio Balun	**500020**							600/ 183							X									X		1				
Component Video Balun	**500021**	2200/ 670 [1]			1000/ 305	1000/ 305									X									X	1					
CCTV Pass-Thru Balun	**500022**	2200/ 670 [1]								[6]		350/ 106 [5]	X										X		1		2		1	
CCTV Mini Balun	**500023**	2200/ 670 [1]											X											X	1					
CCTV Power-Thru Balun, RJ45	**500024**	2200/ 670 [1]										500/ 170 [7]	X												1		3			
MonoPro XLR, XLR-3 Male	**500025**						5000/ 1500	1300/ 400													X			X		1				
MonoPro XLR, XLR-3 Female	**500026**						5000/ 1500	1300/ 400													X			X		1				
Stereo Audio Baluns	**500027/28**						5000/ 1500								X											2				
CCTV Power-Thru Balun, ST	**500029**											500/ 170 [7]	X											X	1		3			
Quad Video Balun	**500032/37**	2200/ 670 [1]											X		X								X		4					
Quad Audio Balun	**500033**						5000/ 1500								X								X			4				
Active VGA Balun Kit	**500035/36**			500/ 150										F									X		4					
S-Video/ Hi-Fi Balun	**500038**		1000/ 305				3250/ 990						X		X [4]								X		2	2				
Stereo Hi-Fi Video Balun	**500039**	2200/ 670 [1]					3250/ 991						X [4]		X								X		1	2				
VGA Balun II – PC Side	**500040**			350/ 105 [2]										M									X		4					
VGA Balun II – Monitor Side (F)	**500041**			350/ 105 [2]										F									X		4					
VGA Balun II – Monitor Side (M)	**500042**			350/ 105 [2]										M									X		4					
PS/2 Keyboard/Mouse Converter	**500045/46**										350/ 106										X			X				4			
Component Video/Digital Audio Balun	**500050/51**				500/ 150	500/ 150		600/ 183							4									X	3	1					
Component Video/Analog Audio Balun	**500052/53**				500/ 151	500/ 151	3250/ 991								5									X	3	1					
SCART/Péritel Balun	**500060/61**		1000/ 305				5000/ 1500														X			X	2	2				
Active CCTV Transmitter Balun	**500100/101**	3000/914											X								X				1					
Active CCTV Receiver Hub UTP/ UTP	**500120/121**	4500/ 1370																	16					16	16					
Active CCTV Receiver Hub UTP/ Coax	**500122/123**	4500/ 1370																	16			16			16					
Passive CCTV Hub, UTP/Coax	**500130**	2200/ 670 [1]								[6]		350/ 106 [5]						16				16		32	16		32 or 48		16	
Passive CCTV Hub, UTP/UTP	**500131**	2200/ 670 [1]								[6]		350/ 106 [5]						16						48	16		32 or 48		16	
Audio-Video Distribution Hub	**500200/201**	2200 [1]	1000/ 305				5000/ 1500											1					8		2	2				
Component Video Hub - 8 Ports	**500250/251**				500/ 150	500/ 150		600/ 183										X					8		3	1				
Component Video Hub - 16 Ports	**500252/253**				500/ 150	500/ 150		600/ 183										X					16		3	1				
CATV Balun II	**500302**								300/ 90 [3]							X							X		1					
Rackmount Balun Chassis 16	**500900**																													

Notes

[1] Shorter distances may result with DVR equipment.

[2] Distance will vary according to resolution.

[3] Distance will vary according to channel, cable and input level.

[4] Jumper cables included

[5] For 5W, 24Vac camera with 24Vac source via 2 twisted pairs.

[6] Dependant on camera and controller sensitivity

[7] For 5W, 24Vac camera with 24Vac source via 3 twisted pairs.
